LIBERTY

The steady rain last Friday and Saturday melted our snow and it was difficult traveling for those with large feet, but the bright sunshine and warm wind Sunday and Monday helped our roads and the beautiful weather has been enjoyed by all, but the indications at this writing are, some more winter is due us.

Miss Koreen Matthews is visiting her sister, Mrs. Peddy at Ft. Smith, Ark.

John Haggard has been suffering from a severe attack of lagrippe.

Mr. and Mrs. Sam Fletcher attended Sunday school and went home with Mr. and Mrs. Geo. Mulkey for dinner.

We are glad to be able to report M. Gaydou, who has been dangerously ill for the past two weeks, somewhat improved, and hope he may continue and regain his usual health. His daughter, Mrs. Esther Coffelt, of Oklahoma, who has been in attendance caring for him, returned to her home Tuesday night.

W. R. Russell, wife and sons were guests of his sister, Mrs. Geo. Mulkey, Sunday afternoon.

Mrs. Viola Allen visited her brother, Dee Winton, last week.

Dave Courdin of Pioneer, visited M. Gaydou last Sunday, and remained several days to assist in caring for him in his illness.

Joe Mulkey attended the Ozark meeting at Monett, Tuesday and Wednesday.

Ed Russell is confined to his bed with a siege of lagrippe.

Tom Fletcher, wife and daughter, who moved to Cedar County last August, have returned and are visiting his brother Sam. We understand he intends to locate here again and their many friends welcome their return.

Miss Willia Henbest spent her vacation with her parents.

Messrs. Nick Wolfe and Delmar Mulkey returned home last week from Kansas, where they have been working for some time.

Miss Della Foster spent last week visiting her uncle, Jordan Weldy.

Ernest Seward of Wentworth, visited in our neighborhood last Sunday.

We are sorry to report Abb Mulkey as being worse this week.

IN MEMORY OF MRS. MARTIN GAETZ

Dear sister, we have laid thee
In the cold and silent grave,
No more shall we see thee
But we know thou art with God.
Our hearts are rent to part from thee
But it was not our will that was done
But our Father's will,
Which is in heaven.

No sorrow there can reach us
No grief to pain the heart
But in that land of pure delight
We'll meet to never part.
Our sorrow then, will all be o'er,
Sickness, pain and death, too, are
unknown,

Then we shall dwell upon that shore
With our Savior and His chosen own
No parting tears will be shed,
There'll be no more goodbyes;
We will rest in that blessed peace
In our home far above the skies.

Our Savior has promised
He has gone a place to prepare
And if we each faithful be
We'll meet each other there.

We miss thy kind and loving words,
Thy bright and sunny smiles
But some bright day we hope to meet
thee

On Canaan's fair and happy isles.

In thy footsteps we'll try to follow
Till they lead us on and on—
Then we shall again clasp thy hand in
welcome,

In our New Jerusalem home.

The days are so sad and lonely
The house so dark and drear,
Can it be that thou hast left us?
We feel thy presence near.

Yet life has its shadows, as well as its
sun,

Earth has its storehouse of joy and
of sorrow,

We cannot tell when our days' work's
done,

What will be our morrow.

Somehow today, my thought will stray
To you, my friend in slumber,

You seem so near, we feel you here,
But you have left the number.

The thought of death is very sweet
The grave can have no chill or gloom
For those who have a friend to meet.

Beyond the field of living bloom.
Time is so swiftly flying

And from sin we're trying to keep
our lives unspotted;

And through the coming years this
will be our motto:

"Gone, but not forgotten."

Abbie Wooten was born November 23, 1868, in Madison county, Arkansas, and lived there until she was six years of age, when she moved from there with her parents to Barry county, Missouri, near Purdy.

When only eighteen years of age she united with the Christian church at Purdy, and has been a faithful member ever since.

On January 8, 1902, she was married to Martin Gaetz of Purdy. After their marriage they moved to McDonald county, Missouri, and remained there four years, after which they moved back to Barry county, and located southeast of Monett, where they resided until her death.

To this union was born four children, three daughters and one son, all of whom survive their mother. Besides these four small children and a devoted husband, she leaves to mourn her death, one sister, Mrs. Sam Leonard of Purdy, one brother, Dr. Wooten of Peirce City, and a host of other relatives and friends.

She passed from this life to Glory on December 23, 1915, after an illness with pneumonia of only a few days duration. That she has been so swiftly snatched away from us is a calamity indeed. To know her was to love her. But we know she is safe with Jesus now, and nothing can pain her there.

SALTS FINE FOR ACHING KIDNEYS

We Eat Too Much Meat, Which Clogs
Kidneys, Then Back Hurts and
Bladder Bothers You

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

THE WORST THING

FOR GOOD ROADS

"Perhaps the worst thing which could happen to the cause of good roads," says the Farm and Fireside, would be the building of all those now needed, with no provision for keeping them up after their completion.

No 'permanent' road is permanent in the sense of not needing repairs and upkeep. We have shown in these columns that a concrete roadway 16 feet wide can be kept in condition for twenty years or more by the expenditure of from \$26 to \$35 per mile per year. There is probably no road, permanent or temporary, which can be kept in really good condition for less.

"Some charge for maintenance there surely will be on every permanent road. When issues of bonds for better roads are voted on, this matter of maintenance should be provided for.

"In many cases the permanent road will be far easier to maintain by the ordinary tax levy than were the old unimproved highways. In such cases the new road, instead of adding to the local burden, will lighten it."
